It is our goal to assist each young adult with developing and implementing their individualized goals and plans in an effort to help them reach self-sufficiency. We are a hand-up not a hand-out program. We recognize that each young adult's situation is unique in nature; therefore we will strive to establish creative ways to ensure that the young adult can be successful in reaching their goals. You may be referred to aftercare through a social worker, probation officer, or self referral. Young adults who are 17 ½ years old who were in care at least one day after the age of 16 are eligible for service. Aftercare services are available until the young adult's 21st birthday.</p>
<p><u>Camp Good Grief</u> Loma Linda University Children's Hospital Camp Good Grief, Room 1801 11234 Anderson Street Loma Linda, CA 92354 Phone: 1 (800) 825-KIDS</p>	<p>Camp Good Grief is a three-day camp experience for children and teens 10-16 years old that have had a sibling or parent die. It provides the place and space for children and teens to come together in an atmosphere of love and acceptance. The purpose of Camp Good Grief is: For children and teens to meet others their own ages who are also learning about and understanding their grief. The second is to run, play, laugh, and be themselves--to really have a great time! By meeting others like themselves, they discover that they can share the same feelings and that those feelings are normal and okay. When a child or teen grieves alone, he or she may not realize that the feelings they experience at different times during the grief process are common--they are natural and normal. It is very important to understand that what is happening to them happens to others also. Their pain is understood here and accepted.</p>

It is our hope through this weekly tutoring that a mentoring relationship will develop with the LLU student serving as a role-model and encourager for their mentee. 2. CKC Mentoring facilitates the development of LLU students who are engaged in their community. These sessions allow students to truly connect first with their mentee, then with his/her family, and often, their community at large. <p>Students meet once a week (Monday, Tuesday, Wednesday, or Thursday) from 5:00-6:30 p.m. Also, there are a few weeks a year when the mentors are not scheduled to come (the first 2 weeks in December) where schools, classes, or other organizations can organize a program, run games, or give presentations for the local students.</p>

<p><u>CAPS (Community Academic Partners in Service)</u> <u>Project Special Opportunities</u> Special Opportunities, Student Director Lucas King lking@llu.edu or caps@llu.edu</p>	<p>Project Special Opportunities is a one-on-one mentoring program that connects teenage boys who are having trouble in school with a graduate student mentor. Along with poor academic achievement, a number of the boys are involved with substance abuse and many are members of gangs.</p> <p>The goal of the project is to educate, support, and provide friendship to the teens while at the same time providing service learning to the graduate students. The program consists of 15 mentoring sessions dispersed throughout the school year. In a typical session the boys participate in a group activity aimed at teaching them valuable life lessons such as teamwork, goal orientation, self esteem, and healthy living. Part of the time is allocated for more physical activities such as basketball, football, soccer, or frisbee.</p> <p>There are three sites – all meet on Friday afternoon on each week as schedule outlines.</p> <ul style="list-style-type: none"> • San Geronio high school - site meets from 1 p.m. to 3 p.m. (includes transit time) • San Bernardino high school - site meets from 1 p.m. to 3 p.m. (includes transit time) • Norton Neighborhoods - site meets from 3:30 p.m. to 5:30 p.m. (includes transit time)

<p><u>CAPS (Community Academic Partners in Service)</u> <u>Project Hope</u> Hope Student Director Chelsea Royer croyer@llu.edu or caps@llu.edu</p>	<p>As a Project HOPE mentor you have an opportunity to connect with high school girls one-on-one. Many of these girls have hopes and ideals that were altered by their pregnancy and children, and our goals are to encourage them to adjust well to the changes, pursue their dreams, and remind them that we care.</p> <p>Our mentoring sessions will take place on Fridays from 1:20 to 2:30 p.m. The majority of the mentoring sessions will focus on a particular topic such as exercise, nutrition, goal setting, safety, etc. During the first 30 minutes we will be doing a group activity lead by the site leader followed by about 20 minutes of one-on-one time for you and your mentee. Many of the girls do not have a strong support system, so your willingness to listen will make a world of difference. Thanks again for getting involved in HOPE.</p>

This is primarily accomplished through partnerships with local service agencies to provide quality programs to young children and their families. Other tools or resources offered by First 5 in the endeavor to improve early childhood include the Kelly Torres Center, the Kit for New Parents, and our School Readiness Initiative. First 5 San Bernardino's commitment to serving our youngest children stems from the research in brain development showing that the experiences of children in their earliest years significantly affect the way they grow and develop. Positive results in the early years impact dramatically on their physical, mental, emotional and social development. This, in turn, reduces the social and financial costs of services the children might need in later years.</p>

When adults smoke around children, it is the kids who suffer. Children exposed to smoke are more likely to experience breathing problems, ear infections, and behavioral problems such as hyperactivity that can cause them to fall behind in school. Tobacco Awareness The Reach Out to Parents program educates the community about the effects of tobacco and second-hand smoke on children. We offer both informational public presentations for adults and fun, age-appropriate educational programs for children as young as preschool age. Smoking Cessation Program To help parents and other adults through the difficult process of quitting, Reach Out offers a FREE 8-week smoking cessation program that provides the guidance and support they need to kick the habit — for the kids' sake and their own. This program is generously funded by First 5 San Bernardino. Enroll in our FREE Smoking Cessation Program or schedule a date for a presentation on the effects of tobacco on children. <p><u>Uncommon Good</u> 435 Berkeley Avenue Claremont, CA 91711 Phone: (909) 625-2248 http://www.uncommongood.org/clinic.htm</p>	<p>The Clinic to College Mentoring Program is designed to help at-risk, low income children, ages 9 – 15, who live in the Inland Valley of Southern California. The overwhelming majority of studies have shown that the single most powerful intervention that can be done in the life of an at-risk child is mentoring. However, most poor children are not connected with mentoring programs because their parents are struggling merely to survive and cannot arrange enrichment opportunities for their children. This program serves children in communities of La Verne, Claremont, Pomona, Montclair, Upland, Rancho Cucamonga, and Ontario.</p>
